

Tool & Technology Institute (TTI), BITAC

Training Type, Subject, Fee & Hostel Cost

Serial no.	Name of the course	Field	Duration in week	No. of courses/year	Desire no/course	Qualification	Type: Residential (R)/Non-Residential (NR)	Course fee in thousand
1.	Master Trainer Training (MTT)	CAD CAM (MTTC)	24	2	10	B.Sc. Engg	R/NR	15
		Mechatronics (MTTM)			10			
		Hydraulics (MTTH)			10			
2.	Employment Training (ET)	CNC Lathe (ETCL)	12	4	20	Diploma Engg	R	10
		CNC Milling ETCM)			20			
		Mechatronics (ETM)			20			
		Hydraulics (ETH)			20			
3.	Apprentice Program (AT)	CAD CAM (ATC)	24	2	20	Diploma	R/NR	.5/d Remuneration
		Mechatronics (ATM)			10			
		Hydraulics (ATH)			10			
4.	Up Scaling Training (UST)	CAD CAM (USTC)	4	1	20	B.Sc. Engg, Diploma, Science background	R/NR	5
		Mechatronics (USTM)			10			
		Hydraulics (USTH)			10			
5.	Basic training (BT)	General Science (BTGM)	2	1	25	Diploma, Science background	R/NR	2
6.	Engineering Foundation Training (EFT)	ME, EEE and Equivalent	8	2	20	B.Sc. Engg,	R	20
7.	Customize Training (CT)	ME, EEE and Equivalent	-	4	20	B.Sc. Engg, Diploma, Science background	R/NR	-
8.	Short Course (SC)	Heat Treatment, 3D Printing, CMM, CAD CAM, Mechatronics, Hydraulics	1	5	15	B.Sc. Engg, Diploma, Science background	R/NR	5

A. Apprentice remuneration: TK. 500 per day (7 hours) on the basis of casual payment per day.

B. Dormitory facilities: 4 sharing 300 sft room having standard furniture at 8th floor of institute building. Seat capacity 40. Rent per month TK. 1500.

C. International dormitory: Single or twin sharing 300 sft furnished room with international level facilities at 7th floor including attached bathroom/common bath, air conditioned and net. Seat capacity 20. Rent TK. 500 per day for single and TK. 300 for twin sharing room.
